- a) oxygen                                      b) helium                                      c) **carbon dioxide**

24. The music composer of the film Slumdog Millionaire

- a) **A R Rehman**                                      b) Anu Malik                                      c) Vishal Shekhar

25. In which country do people have Pho Ga, a soup?

- a) Japan    b) India    c) **Vietnam**

**Q-2. Match the following.**

**Column A**

1. Air pollution
2. Noise pollution
3. Water pollution
4. 1 bit
5. Throwing rubbish
6. CPU
7. Main circuit board
8. Tallest animal
9. Non renewable energy
10. Renewable energy
11. Cactus store food in
12. toadstool
13. heaviest flower
14. Global warming
15. Use cloth bag

**Column B**

- a) smoke from industries
- b) noise from machines
- c) chemicals to rivers from factories
- d) 8 bytes
- e) in dustbin only
- f) central processing unit
- g) motherboard
- h) giraffe
- i) petrol
- j) solar power
- k) stem
- l) mushroom
- m) rafflesia
- n) rising temperature
- o) for shopping

**Q-3. State whether the statement is true or false.**

1. Throwing rubbish into the correct dustbins. T
2. Not turning off the tap while brushing teeth. F
3. Using a shower to take a bath. F
4. Writing on both sides of a paper. T
