Google – Classroom

Daily Homework

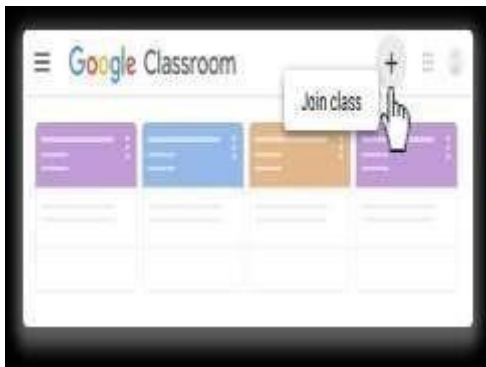

Dear, Parents / Students!

Welcome to the first term of the session.

There are certain guidelines which we have to follow for **daily homework** through **Google Classroom App**. Kindly download the  **Google Classroom App** from **play store, App store**. Here mentioned the code of each class in the table, so kindly add in classroom with student's name in your respective classroom.

Students 5 Steps to Google Classroom

1. Go to **Google Classroom**. Students can go to the website **classroom.google.com** (from your google email account) or use the **Google Classroom app** on their mobile devices.
2. Join a Class with **Student's full name and Class**. (format : **student name class**) . Students locate the plus icon in the upper right of the **classroom** page to enter the join code.
3. Locate the Assignment. ...
4. Click on Open. ...
5. Blue Turn in Button
