### Section A- Reading

Q-1. Read the following passage and answer the questions below:

[10 Marks]

“Almost everything about elephants is big. They are the largest animals that live on land. There are two kinds of elephants, the Indian elephant and the African elephants. A male, African elephant can weigh up to six thousand kilos. Elephants can be up to four meters tall. Elephants need to live in very large areas because they eat and drink so much. Every day, elephants spend about 16 hours eating. They eat up to 200 kilos of food. They can drink over 25 litres of water. Elephants have very big, very thin ears. Elephants use their ears to cool themselves down.”

**[10 Marks]**

I like the woods In Autumn  
When dry leaves hide the ground,  
When the trees are bare,  
And the wind sweeps by  
With a lonesome rushing sound  
I can rustle the leaves In Autumn  
And I can make a bed  
With the thick dry leaves that has  
fallen from the bare trees overhead
