## Assignment For S.A. II, Year 2019-20

**Subject : - Computer Science**                                           **Grade - 5**

**Q.1    Tick(√) the correct answer.**

1.    Any special effect that is added to the text and objects on a slide is known by which term?

a. Transition          **b. Animation**          c. Design          d. Slide show

2.    The Slide master option is available on which of the following tabs?

a. Home          b. Insert          **c. View**          d. Review

3.    Which of the following is an arrangement of items such as text and pictures on a slide?

a. Template          b. Theme          **c. Layout**          d. placeholder

4.    Which tab is used to change the background color of a slide?

a. Home          b. Insert          **c. Design**          d. Animation

5.    By default, the text in a text box is aligned to which position?

a. Left          b. Right          c. Justified          **d. Center**

6.    Which option is used to increase or decrease the height of the colors?

a. Direction          b. Preset colors          c. angle          **d. Gradient stops**

7.    Which of the following is a ready to use design of a presentation?

**a. Template**          b. Theme          c. Layout          d. Placeholder

8.    Which of the following view can be used to make changes to the content of a slide?

**a. Normal**          b. Slide sorter          c. Notes page          d. Reading view

9.    Which of these can be sent as an attachment in an e-mail ?

a. Sound          b. Pictures          c. Videos          **d. All of these**

10.    Which of the following is a sequence of instructions that is repeated until a condition is satisfied?

a. Algorithm          b. flowchart          **c. loop**          d. decision

11.    In a flowchart, the diamond shape is used to show which of the following?

a. Processes          b. Connections          c. Beginning or end          **d. decisions**

12. Which of the following do you need to connect to the internet?

    a. Internet service provider    b. Modem    c. Web browser    **d. All of these**

13. Which of these buttons contains options to save the web page and clear the browsing history?

    a. Home    b. Refresh    c. Favorite    **d. Tools**

14. Which of these buttons takes you back to the first page of the website?

    a. Refresh    b. Favorite    **c. Home**    d. Tools

15. Which of the following is not a part of a Logo Procedure?

    a. title    b. body    c. end    **d. EDIT**

16. Which word is typed before a LOGO procedure name?

    a. END    b. TO    **c. TYPE**    d. REPEAT

17. Which of the following parts of Logo Procedure is the first part of a procedure?

    **a. title**    b. body    c. end    d. EDIT

18. Which of the following parts of Logo Procedure is the last part of a procedure?

    a. title    b. body    **c. end**    d. EDIT

19. Which of the following is a set of pre-designed format that includes text, background and color schemes?

    a. template    **b. theme**    c. layout    d. placeholder

7. **Modem** is a device needed to connect your computer to the Internet Service Provider.

8. **Web Browser** is a type of software used to access the web pages on the Internet

9. **Rectangle** shape shows the processes or actions in flowchart.

10. The **Repeat** command tells the turtle to repeat the given command a certain number of lines.

11. Any closed figure with three or more sides is called **Polygon**

12. **Procedure** is the ordered steps of carrying out a task.

13. **Input box** is the space where you type commands and execute them in Logo.

14. The main part of a LOGO procedure where we type instructions is called the **Polygon**

15. A LOGO procedure is saved with the extension **.LGO**

**Q.3   Write T for True or F for False.**

1. A computer uses the IF….ELSE statement for decision making.- **T**

2. Diamond shape shows the input or output of a flowchart. **F**

3. Arrow shape shows the start and end of a flowchart. **F**

4. To read an email you have received, sign in to your email account. **T**

5. Forward button is used to go to next page in Internet Explorer. **T**

6. Stop button reloads the current page in Internet Explorer. **F**

7. Back button takes you back to the previous page in Internet Explorer. **T**

8. You must save a Logo procedure before executing it.**T**

9. A REPEAT command automatically repeats an instruction a certain number of times. **T**

10. Running a procedure is also known as executing a procedure.**T**

11. You can use the REPEAT command to draw patterns. **T**

12. A procedure has four parts. **F**

13. Body is a set of commands you type in MSWLogo. **T**

14. The LOAD command is used to make changes to a saved procedure. **F**

15. Parallelogram shows the input or output of a flowchart. **T**

**Q.4** **Label the parts of the MS Powerpoint 2010 window.**

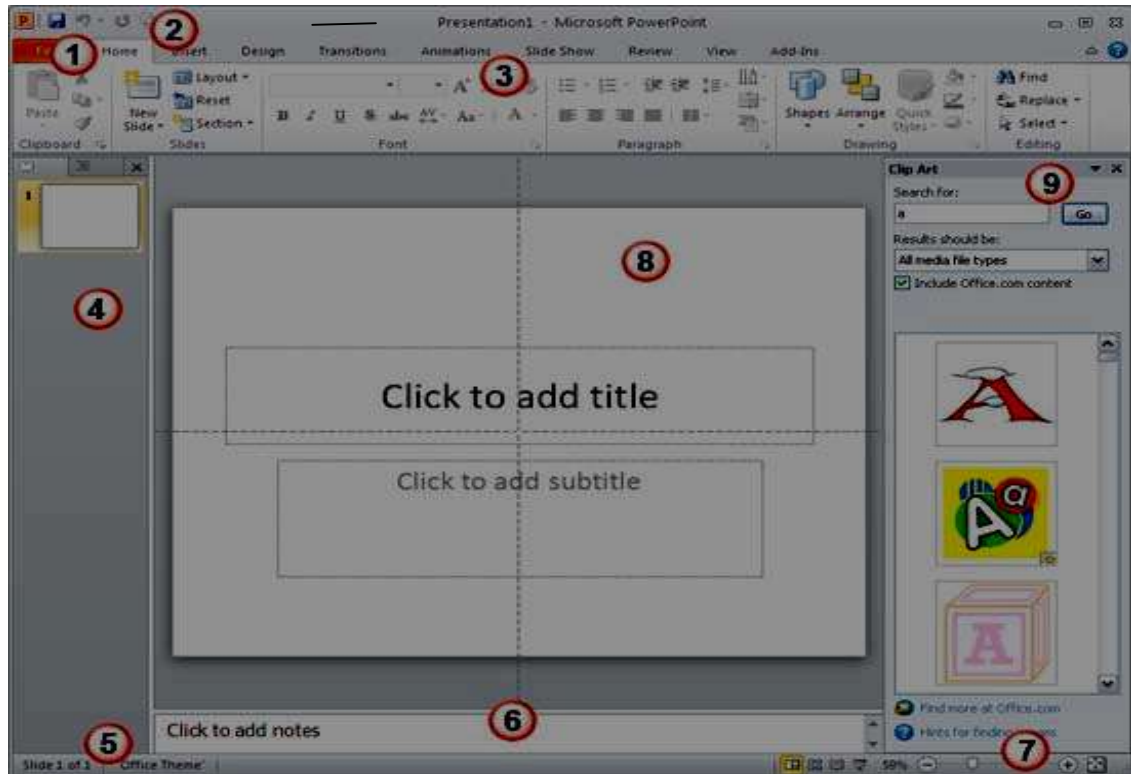

**Ans.** **1. File Menu and Backstage View**          **2. Quick Access Toolbar**

**3. Ribbon**                                         **4. Slides/Outline Pane**

**5. Status Bar**                                     **6. Notes Pane**

**7. View Buttons**                                   **8. Slide Area**

**9. Task Pane**

**Q.5** **[A] Number the steps in the correct order to create an email account using Gmail.**

**2** Click on Create an account

**1** Type www.gmail.com in the address bar and press the Enter key.

**4** Choose your username that you wish to use and create a password for your account

**8** A welcome screen appears. Click on continue to Gmail.

**5** Fill in the remaining details.

**6** Check the box next to ' I agree to the Google Terms of Service and Privacy Policy.

**7** Click on the Next Step button.

**3** Fill your first and last names.

**[B] Rearrange the following steps to change the color scheme of a theme in the slide master.**

**3** Click on the Colors drop-down arrow to open a list of colors.

**4** Click and select a color scheme

**1** Open the Slide Master view and select the slide master.

**2** Click on the Themes drop-down arrow to open a list of themes.

**[C] Number the steps in the correct order to send an email.**

**5** After typing the message, click on the Send button.

**1** Click on Compose

**4** Type the message in the Message box.

**3** Type the subject of the email in the Subject box.

**2** Type the email address of the receiver in the To box.
