## PERIODIC ASSESSMENT -1 2020-21

Grade - 6

Subject- Computer

Syllabus – CH 1,2 FROM TEXTBOOK

### Q.1 Tick (✓) the correct answers.

- Which of the following is used to record sound?  
a. Windows Scan      b. Sound Recorder      c. Windows Media Player      d. Libraries
- Which of the following is the most powerful in terms of processing, speed and memory?  
a. Minicomputers      b. Microcomputers      c. Supercomputers      d. None of these
- Which of the following is an example of secondary storage?  
a. RAM      b. ROM      c. Hard disk      d. Cache memory
- Which of the following is not a feature of Windows 7?  
a. Jump Lists      b. Stacking      c. Libraries      d. MS Word
- Which part of the CPU is responsible for doing arithmetic operations?  
a. ALU      b. CU      c. Memory      d. Both ALU and CU
- Which of the following unit manages and controls the activities of all other units in the CPU?  
a. CPU      b. ALU      c. CU      d. ALL of these
- Which of the following devices captures and stores photographs on a memory card?  
a. OMR      b. MICR      c. Digital camera      d. mouse
- Which of the following is used to display open windows vertically or side by side.  
a. Shake      b. Jump List      c. Libraries      d. Stacking

### Q.2 Fill in the blanks.

- Storage is the fourth generation performed by a computer system.
- The control unit of the processor helps in communication between the memory and the ALU
- RAM consists of memory chips

4. A dot-matrix printer is an example of a Impact printer.

**Q.3 Expand the following.**

1. RAM- Random Access Memory
2. CU - Control Unit
3. CPU - Central Processing Unit
4. MICR – Magnetic Ink Character Reader
5. ROM – Read Only Memory

**Q.4 Write T for true or F for false.**

1. The Shake Windows feature makes it quick and easy to view documents side by side. F
2. You can create a new library. T
3. The Library feature manages files that are located in a single location in your computer. F
4. A CD gets automatically ejected from the CD/DVD drive when the burn is complete. T

**Q.5 Guess who I am.**

1. I am a type of computer that is used in weather forecasting. Super Computer
2. I am a type of computer that is usually used at home. RAM
3. I am present inside the CPU Box and am used to perform calculations. ALU

**Q.6 Write each device under the appropriate category.**

Keyboard, CD, Plotter, Memory card, Scanner, Speaker

Input Devices – 1. Keyboard 2. Scanner

Output Devices – 1. Plotter 2. Speaker Storage Devices – 1. CD 2. Memory card
