

## FOOD CARNIVAL

### (BUDDING ENTREPRENEURS)

*“Food food everywhere...”*

Food carnival was organized on 14<sup>th</sup> November 2022, at Puna International School from Grade V to Grade VIII. The students participated with great enthusiasm. The event was a great success in terms of wide variety of mouth watering delicacies and creative decoration of stalls from each class. Some of our youngest children created pancakes, mocktails, pizzas including different flavours of the state. There were a total of 60 stalls. The students took utmost care of hygiene. They sold the food items to their friends and teachers. It was a fine learning experience for the student organizers to acquire entrepreneurial skills. This helped the students to learn teamwork, collaboration and creativity.

*“The painter has the Universe in his mind and hands.”*

The maxim proved to be true by the skilled **CHEFS** of PIS.

The event was inaugurated by the founder of PIS Pujya Swami Sri Purushottamdas Charandasji. He went to each stall to encourage students for their efforts and endeavours and also explained health benefits that are present in home-made traditional food items to the students. Principal Ms. Sadhna K. and Vice-Principal Mr. Samir Parmar also visited the stalls and appreciated the efforts put in by the students in making the event a grand success.
