- Q2. What do squirrels do on the tree?
- A2. Squirrels run on the tree.
- Q3. What type of plant is born?
- A3. The little plant is born.

# **Our Tree**

#### Listen and read

A little bird sees Ripe fruit on our tree And eats a tasty berry. The bird flies tall And a berry seed falls.

The rains have come Hurry! let's run. Clouds, rain and sun... Our plant is born, a little one.

The tree has fruit, Some big, some small, Let us pluck them But do not fall!

Crows perch, squirrels run, And see the monkeys Having fun!

Strong branches, With pretty swings, Our beautiful tree Has so many things.

☆ ☆ ☆

☆ ☆ ☆

☆

A lion was once sleeping in the jungle when a mouse started running up and down his body just for fun. This disturbed the lion's sleep, and he woke up quite angry. He was about to eat the mouse when the mouse desperately requested the lion to set him free. "I promise you, I will be of great help to you someday if you save me." The lion laughed at the mouse's confidence and let him go.One day, a few hunters came into the forest and took the lion with them. They tied him up against a tree. The lion was struggling to get out and started to whimper. Soon, the mouse walked past and noticed the lion in trouble. Quickly, he ran and gnawed on the ropes to set the lion free. Both of them sped off into the jungle.

Moral :- A small act of kindness can go a long way.

*New Vocabulary	
1. Hot	
2. Sky	Clouds
