There was a tree of Parijat in a forest. Parijat had no match. Her beauty was unmatched. His appearance was unique. Parijat too was fully aware of his qualities. Raised his head in the blue sky, as if standing with trees. When the spring day came, the Parijat would be laden with countless little flowers, as if someone had broken all the stars from the sky and stung them on the branches of the Parijat.

When the fragrant pollen was scattered in the forest, the forest would become Nandan. Like a magnet, the family would pull everyone towards it, look at it, it would run towards the family.
