Steps for Annual Examination – 20-21

- 1) We will ensure that the entire school building / campus is fully sanitized before the commencement of school.
- 2) Maintain cleanliness throughout the school campus (classrooms, lobby, staff room, office, library, laboratory etc.) and especially urinal and drinking water and clean it every day before school hours and after school hours. For this, if necessary, a committee consisting of teachers and students as well as parents can be formed.
- 3) Students have to compulsorily wear the mask and bring the sanitizer during the school hours. (use of Hand gloves is student / parents' choice.)
- 4) Necessary arrangements should be made for the purpose of maintaining social distance between the time students enter the school and after school hours.
- 5) We will not allow any kind of gathering at on place. Please instruct students for same to maintain social distance.
- 6) Thermal screening, mask and maintenance of social distance should be made compulsory for all the staff / parents / students coming to the school campus.
- 7) If students are using public / private vehicles, they / their parents should also be guided regarding this social distance.
