Ans:_ The leaves are used in hatching the huts. The spines of leaves are used to make brooms.

4) Write the antonyms form?

Ans:} Hot - _____ b) Up-_____

B . In olden days, transportation was the biggest problem. People used to travel on the backs of animals or on vehicles drawn by animals such as bullocks, camels etc.

With the advent of science and technology, the means of transport improved a lot. Engines run by diesel, petrol or electricity are being used . We are familiar with land vehicles such as cars, buses, trucks, scooters, trains etc. We can reach London or America within 24 hours by using airplanes. With these inventions, there is no need to burden animals anymore. The modern means of transport are quick and time saving.

Questions:

1) What were the means of transport in the olden days?

Ans: In older days People used to travel on the backs of animals or on vehicles drawn by animals.
