# Story

## Peter and Pan

Peter and Pan were two birds. They lived on a mango tree. They made a nest for their chicks. One day the eggs hatched. Both Peter and Pan were very happy. Chicks were too small. Peter and Pan used to feed them with their beaks. One day a lizard climbed up the tree. He saw the chicks and wanted to eat them. Peter and Pan fought with the lizard. They made it run away from the tree. Chicks were very happy.
