

Spoken English Worksheet

Listen to the conversation between two students before a race. Then practise it with a partner.

Neha: Hi, Madhav, which race are you participating in?

Madhav: Hi, I'm here for the fifty meters relay race.

Neha : Oh, really! So am I. Are you nervous?

Madhav: Not at all.

Neha: Well, I am nervous. I want my house to win!

Madhav: I want mine to win too. Anyway, best of luck.

Neha: Thank you, same to you. May the best team win!

Now listen to the children congratulating each other and practice the dialogue.

Madhav: Hey, Neha, well done! You came first. You were nervous for no reason.

Neha : Thank you, Madhav. Your team came second. That's not bad.

Madhav: We could have done better. But I'm happy it was a good race.

Neha: You are right.
