Robert Good afternoon, teacher, how are you today?

Teacher Good afternoon, Robert. I am doing well. And you?

Robert I'm great, thank you. This is my best friend Jane. She wants to apply to come to this school. She would like to ask you a few questions. Would you mind taking the time and telling her what process she would have to do, please?

Teacher Hello, Jane! It's a nice to meet you. I am very busy today, as I am going to class now for the next 3 hours. Can you come to my office for 9am tomorrow morning?

Soham : It is very common. You are serious about it, so you are worried.

Rohan : Don't philosophize, please. I am really afraid as I have no good preparation for English. In a short time it is very difficult for me to make a success in English.

Soham : I think your English learning method is not so good. You should learn some basic rules of English if you want to do well in English.

Rohan : You are right. Besides, I should improve my writing skill to do well in English.
